Just wanted to write and say that I'm VERY satisfied with my purchase. I was skeptical at first, the price seemed too good and the shipping process too convoluted. But I sucked it up and took the plunge, ordered 90 of the lil blue guys and sat back to wait for packages that might never come. Happily I was SO wrong! 9 days after my order was placed I received my first batch of 30+4, and just today (another week later) I received the remaining 60. The quality of the product is outstanding. If you're sitting there, wondering whether or not you should go ahead and make a purchase here, quit wondering! The best prices, excellent service, and a top-notch product are all present here. Go for it!
